

QUALITY LABOR TRAINING

YOU HAVE THE RIGHT TO RECEIVE SERVICE FROM A KNOWLEDGEABLE, WELL-TRAINED CREW

TRAIN THE TRAINER

Four day comprehensive certification workshop, facilitated by United Van Lines home office personnel, gives Fry-Wagner Quality Trainers information and skills for teaching adults and training the front-line crews

TRAIN THE COACH

Trainer identifies senior lead crew members who will be trained on "coaching" new crew in the field, reinforcing training for performance improvement

TRAIN PACKER AND MOVER

- > 30-hrs classroom training
 - > Orientation review
 - > 200-hrs field training
- > Demonstrate mastery of 80-skills
- > Demonstrate competencies
- > Final review for Certification

A CERTIFIED TRAINER

- Sets a good example
- Completed the Train-the-Trainer workshop
- Facilitates a scheduled training program for all new crew members
- Conducts a complete series of packer-mover classes
- Completes an orientation review on each trainee
- Approves 200-hrs of field work performance on each trainee
- Completes a final review on each trainee
- Requests certification for Packers and Movers who completed all requirements
